MEET ODALYS

Hi there, I'm Odalys, the owner and principal photographer of Odalys Karla Photos. There's nothing quite like the feeling of sharing in the love of two individuals, and I feel incredibly blessed to work with amazing people every day.

Located in Jamestown, NC, I've been capturing couples' precious moments for over three years. You won't catch me without my trusty camera and tripod.

I started my photography journey by documenting friends and family to build up my portfolio after graduating high school. It's been a journey with its fair share of struggles, but I'm grateful for where my business is today.

Take a seat, get cozy, and browse through my work.

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun! I also include extras most photographers don't like a personalized wedding magazine.

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with a single photographer, but depending on length of coverage a second photographer may be needed.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, I have worked with some of the best companies in the industry & would love to share their information with you!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the Canon T6 Rebel, a 50 mm lens and a 35 mm lens, among other items.

Q: Do you photograph destination weddings?

A: Yes! I'm more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding.
